More Than "Just a Bank"---

The officers and directors of the First National Bank want it to be more than just a bank. They want it to be a pleasant, friendly banking home, where you enjoy coming and where it is a pleasure to transact business. When you enter the lobby they want you to feel at home, among friends, free to make full use of every banking facility.

If there is anything about banking that you do not understand, or if you seek some unusual service or information you are invited to consult our Business Extension Department, at the left of the main entrance; or ask our lobby man, who is stationed in the lobby throughout the day. We would appreciate an opportunity to prove to you that the First National is more than "just a bank."
